

Do you remember the Epsom Hospitals?

A new project, funded by the Heritage Lottery Fund and called *keeping Us in Mind*, is collecting the stories of people who lived in, worked at, or were in any way affected by Epsom's cluster of psychiatric hospitals:

- ◆ *Horton Hospital*
- ◆ *The Manor Hospital*
- ◆ *Long Grove Hospital*
- ◆ *West Park Hospital*
- ◆ *St Ebba's (formerly Ewell Epileptic Colony)*

If you were a patient or a patient's relative, a member of staff or even someone who lived in Epsom and remembers the impact the hospitals had on the town, we would very much like to speak with you. Our project aims to record the unique history of the hospitals in the voices of the people who knew them best. How much you want to share, and how your story is used, is entirely up to you and we will respect your wishes at every stage.

For more information or to arrange to share your story, please contact us on **01372 721518** or email: keepingusinmind@outlook.com
